JOHN PAYNE USES A KNIFE UPON FRANK KLEIN, SERIOUSLY INJURING HIM.

The Blade Narrowly Strikes a Vital Part. Death of Mrs. Timothy Dolan—The Artisans at Banquet.

COLUMBIA, Feb. 1.—On Friday afternoon two young boys named Frank Klein and John Payne got into some difficulty on South Second street, which resulted in a serious manner.

In the morning, the fight was met in the afternoon Klein was seen by Payne, who had a knife in his hand, and dared him to touch him. After a few blows the boys clenched, and Payne stabbed Klein in the back, below the right shoulder, penetrating about an inch. The wounded boy went to his home on Perry street, and Dr. Markel was summoned.

The wound is quite serious, and the doctor stated that had the blade not entered the vertebra of the backbone it would have penetrated the lung and caused death.

DESERTION CASES. A Legal Point Raised and the Final Hearing Postponed. The court to-day heard the desertion case against John C. Willower and Leopold Bender, continued from last Saturday. As to Willower the testimony was that he served a term of three months for failure to comply with the court's order to sign a petition for his maintenance. His counsel raised the point that a second order should not be made while the first one was pending and in that position the court sustained counsel. The court directed the district attorney to have Mrs. Willower sign a petition setting forth the amount of arrears due on the first order and present the same to the court on Wednesday, when the question will be decided whether he can be committed a second time for the desertion.

In the Leopold Bender case the same question was raised, he also having served a term of three months. He said he was willing to take his wife and children to Milford county, where he was working, but she was not willing to go with him. This case will also be heard on Wednesday.

Memorial Exercises in Manheim. MANHEIM, Feb. 1.—Memorial exercises, commemorative of the life of Dr. Higbee, were held by the pupils of the high schools yesterday afternoon. A life-size portrait in India ink of Dr. Higbee, handsomely framed, was presented to the high schools, the gift of Dr. W. F. Roth. The doctor, in formally presenting the portrait, gave an interesting account of the lamented state superintendent's life and character. The portrait is an admirable likeness, and is finely executed, the work of Artist J. K. Beaudouard, of this borough. A unanimous and hearty vote of thanks was tendered the generous donor. Rev. W. J. Johnson followed with an address upon the characteristics which made Dr. Higbee a noble and beloved man. The pupils of all the schools of the borough brought contributions for the memorial fund, averaging about three cents each pupil. During the exercises the scholars sang an ode composed for the occasion by Prof. D. A. Lehman, principal of the schools.

A Political Accident. Out Yesterday afternoon William Michael, a sixth ward politician, was sitting down on a bench wondering how he could pull Lew all Hartman's leg, and yet appear to be for six-teen for alderman. While studying this all up he seemed unconscious of everything else, and ran a knife, with which he was whittling a stick, into his leg. He cut an artery and bled very freely for a time. A doctor attended the wounds, but the wound was not as great as that made by the failure of Hartman and Deen to recognize William as being against them.

Removed Change of Route. It is rumored that the Delaware River & Lancaster railroad has changed its proposed course from near Kimberlin, on the Pickering Valley railroad, and intend to run through Lebanon, instead of Lancaster, and come out at Phoenixville, running along by the Falls of French Creek, the road-bed for which latter location has been made with the exception of laying the ties.
